

**SKIN RENEW 1 oz**

**Vitamin C peeling mask - anhydrous (has no water, undiluted)**

**Perfect for skins with dark spots, acne-related spots and scars**

**Vitamin C (20%)** : Used to prevent aging, reduce wrinkles and spots because it helps reduce oxidation from melanin. It has a global action, because it gives a boost to the skin for a healthy glow effect.

**Silicone:** Its silicone base allows to seal the highly concentrated vitamin C against the skin and multiply its antioxidant and lightening effects.
